(Through the President)

Sir,

Subject C A to the Executive Engineer and Assistant Engineers of the municipality

Ref G O No L 11092-96/ITB 25-55-10 dated 8/12-12-55 sanctioning the creation of the post of the Executive Engineer and 2 Asst Engineers to the municipality in lieu of one Assistant Engineer and one licensing Officer

In the above Government Order the conveyance allowance paybale to the several officers could not be dealt with Hence the question of fixing the allowance was considered by the Managing Committee of the Council at their meeting held on 20-4-56 They were of opinion that the conveyance allowance of Rs 100/- that was being paid to the previous Assistant Engineer as per G O No L 8560-63 CM 3-51-25 dated 11-11-1951, may be continued to the present Executive Engineer and that the conveyance allowance to the two Assistant Engineers be fixed at Rs 50/- each The ~~council at their meeting held on 7-5-56,~~ subject was considered by the Council at their meeting held on 7-5-56 They felt that the C A recommended to the Executive Engineer could be sanctioned while that recommended to the Assistant Engineers required a further consideration in view of the representation that Rs 50/- recommended may not be sufficient to meet the requirements Hence they have resolved to recommend that a C A of Rs 100/- p m be attached to the post of the Executive Engineer and the same paid to the present Executive Engineer from the date of his joining duty in the municipality and the question of fixing the C A to Assistant Engineers be referred to the Managing Committee I enclose a copy of the resolution and request that orders of government may kindly be obtained sanctioning a conveyance allowance of Rs 100/- p m attached to the post of the Executive

Engineer of the municipality and to make payment of the same to the present Executive Engineer from the date of his joining duty in the municipal offices A further reference will be made re fixing the C A to the Assistant Engineers

Due provision is made for this under D5 of the Budget estimates of the municipality

As the issue of authorization by the Controller S A D , for the drawal of the C A by the Executive Engineer is held up for want of separate sanction (vide copy enclosed) the favour of early sanction is requested to pay a C A of Rs 100/- to the Executive Engineer

Yours faithfully,

Municipal Commissioner i/c

Forwarded with compliments
